

BIBLE TEACHERS

There is no lack of Bible teachers to set forth correctly the principles of the doctrines of Christ, but too many of these seem to be satisfied to teach the fundamentals of the faith year after year, strangely unaware that there is in their ministry no double manifest presence, nor anything unusual in their personal lives. They minister constantly to believers who feel within their breasts a longing, which their teaching simply just not satisfy. So said AW Tozer many years ago and in my experience, we have the same problem today.
