

## **CHRISTIANITY**

**A true Christian absolutely accepts the authority of the Bible. True Christians live for Jesus and not for themselves. True Christians live as those bought at a price, at the price of the life of Jesus, as the Bible says twice in Second Corinthians and elsewhere. True Christians do not live to please themselves, or to please anyone else, but live to please Jesus.**

**Living to please and serve Jesus will help us to be useful in His Kingdom, and to other true believers. We need to attend church faithfully and, like the noble Bereans in Acts 17, search our Scriptures daily to make sure that we are hearing the truth.**

**We need to read and study our Bibles daily. We need to meet God in private prayer daily, and we need to listen quietly, as well as speak. If we have not been baptized in water, we need to obey Jesus in this also, as soon as possible. Surrender completely to Jesus, and enjoy greater peace than you ever have known, as well as purpose for life and hope in your heart. God promises in Romans chapter 8 verse 28 that He works all things for good for those who love Him and are called according to His purpose. God always keeps His promises. Don't hesitate to trust Him completely. Choose to do this soon! And then fully obey Him forever.**
