

FAITH IS IMPORTANT

AB Simpson was a middle-aged Presbyterian pastor. He was broken in health, deeply despondent, and ready to quit the ministry. He happened to hear a simple worship song that greatly increased his faith. “Nothing is too hard for Jesus, No man can work like Him”.

His renewed faith gave him hope, and life for body and soul. He sought a place of retirement, and after a season alone with God, arose to his feet completely cured, then went forth and fullness of joy to found what has since become one of the largest foreign missionary societies in the world.

For 35 years after this encounter with God, he labored prodigiously in the service of Christ. His faith in the God of limitless power gave him all the strength he needed to carry on.

Trust and obey Jesus and He will greatly increase your faith also.
