

HOW FARMERS DON'T QUIT

Plowing is hungry work. Yet because there is hope of reaping an abundance of food, the farmer does not give up. Hope says though you want lunch right now, hold on a while, and you will have lunch and dinner, served together. When evening comes, and once the Christian sits down to enjoy the feast, he forgets the pain and weakness he felt in the field.

Hope deferred makes the heart sick, but when what is desired comes, it is a tree of life. James chapter 5 verse 7 says 'be patient therefore brethren unto the coming of the Lord'. Wait on God as long as you have to, until He comes according to His promise, and takes you out of your suffering. Do not be hasty to take yourself out of trouble.
