

IMPENITENT UNBELIEF IS FATAL

Perhaps you just blindly hope that God is too good to send you to hell. If He saves you the way you are now in your hopeless and impenitent unbelief, He would have to make a new gospel for your sake, for the Bible damns you without hope or help.

Put away your lifestyle of corruption. Do not rest in your neighbors opinion of your reputation. Look inward and ask what would cause a new flow and outward manner of life. This alone must decide and judge your hope, whether it is true or false.

A new principle changes the heart within and proves hope to be genuine. Blessed be the God and Father of our lord Jesus Christ, which according to his abundant mercy has begotten us into a lively hope. The new birth entitles us to hope. If the soul is dead, hope cannot be alive.

William Gurnall inspired Spurgeon and Wilkerson and me with his writing.
