

## **MAKE YOUR CHOICE**

**The object of the Christian's faith is unseen reality. The spiritual is real. We must shift our interest from the seen to the unseen. The great unseen reality is God. He that comes to God must believe that He is and that He is a Rewarder of them who diligently seek Him. This is a basic in the life of faith. If we want to truly follow God, we must seek to be 'other-worldly'. Every man must choose his world. The 'other world' which is the object of this world's disdain, and the subject of the drunkard's mocking song, is our carefully chosen goal, and the object of our holiest longing. Make the right choice. It is a forever choice. AWT**
