

PLEASE DO NOT ROB GOD

My Bible says that the first tenth of everything I receive from anywhere belongs to God and should be paid right away. For thousands of years that has been called a tithe. Anything less than a tenth is robbing God. Anything more than a tenth is an offering. The tithe is not an offering. An offering is in addition to a tithe when we give an offering. God loves a cheerful giver.

If we would all do what we're supposed to do in this area, we would be better off in the short term, and the long term, and God's Kingdom on earth would advance at a much better pace. And his ministers would not be left begging for money. Which they shouldn't be anyway. God gets his 10th first, ahead of everything and everyone. Pay yourself and everyone else out of the 90%.
