

FEAR NOT

Don't be afraid of those who want to kill you. They can only kill the body. They cannot do anymore to you. But I'll tell you whom to fear. Fear God, who has the power to kill people and then throw them into hell. Those are the words of Jesus who also said to Christian believers "when you are brought to trial before authorities don't worry about what to say in your defense for the Holy Spirit will teach you what needs to be said even as you are standing there". God's kids don't need to be afraid. Fear only God and no one else and nothing else. God looks after his kids forever.
