

## **HOW TO LIVE UP TO YOUR HOPES**

**Let there be a suitable agreement between your principles and your practices. Align your hope of heaven with your walk on earth. As you look for salvation, walk the way your eye is looking. If the Christian fails to walk in the worthiness of his calling, he betrays God's hope for him. And the Bible emphasizes the necessity of this walk.**

**His Word stirs us up to act as becomes saints and as becomes the Gospel of Christ. It is the devil's designed to cast the greatest shame on Christ and his Gospel by persuading a man to profess a glorious hope of heaven, but to live in utter unworthiness of such a royal inheritance. Be very careful of your hope and your reputation.**
